

# IS YOUR BUSINESS being conducted under a . . . FICTITIOUS FIRM NAME . . . IF IT IS, THEN...

You should protect your firm name by publication of a legal ad once a week for four weeks. Section 2466 of the Civil Code states: "Every person and every partnership transacting business under a fictitious firm name must file a certificate stating the name in full and the place of residence of such person and the membership of such partnership."

Unless such a legal ad is published, your firm name is in jeopardy, and your business is not entitled to use the California courts for collection or other law suits.

The TORRANCE PRESS is an adjudicated legal newspaper. Our nominal charge for the service also includes notarizing and filing. If you have neglected to do this, do it today!
